YOUR SINGLE SOURCE SUPPLIER!

PNEUMATIC MATERIAL HANDLING ♦ AIR POLLUTION CONTROL COMPONENTS ♦ REPLACEMENT PARTS ♦ SYSTEMS

In business for nearly 20 years, **CAMCORP, INC.** is a fast-growing industry leader in pneumatic conveying and dust collection systems, equipment, and parts. **CAMCORP, INC.** is headquartered in Lenexa, Kansas, with a manufacturing facility in Willow Springs, Missouri. The employees of **CAMCORP, INC.** bring to the table years of experience in the industry, and are waiting to provide real solutions to your processing and dust collection challenges. Because **CAMCORP, INC.** is a "systems" company, we are afforded the best discounts and best deliveries available on replacement parts and components for our own quality manufactured equipment, as well as replacement parts for every major OEM in the industry, including *MAC Equipment, Kice, IAC, MikroPul, Donaldson, and FlexKleen*, to name a few. Passing these discounts along to our customers allows **CAMCORP, INC.** to be a single source for everything needed to maintain dust collection and pneumatic conveying systems. Not only does one-stop shopping save you money, but it also saves you time, as there is no longer the need to go through multiple vendor negotiations for many different items.

Among the many products we provide are:

- Filter bags
- Filter support cages
- Pleated elements
- Filter cartridges
- Compression couplings and replacement gaskets
- Quick couplings
- Pipe and tube, all sizes, all types
- Elbows and fittings
- Rotary airlocks
- Diverter valves
- Fans
- Solenoid valves and rebuild kits
- Diaphragm valves and repair kits
- All other baghouse accessories
- Timer boards and smart timer boards
- Replacement airslide parts
- PD blowers, all brands
- Butterfly valves
- Knife gates/slide gates
- Hose and hose accessories
- Air filters and accessories
- Level indicators
- MORE!

CAMCORP, INC. is also an experienced in-plant problem solver. We specialize in material flow aids and devices, baghouse leak detection systems, specialized elbows and fittings for abrasion resistance, and much more. Give us a call today toll free at **877-226-2677** so that we can begin working toward solving your plant problems, rather than just treating the symptoms.

Next time you have the need for components or parts, please give **CAMCORP, INC.** a call! We're eager to show you how we can save you time and money while maximizing your plant's efficiency and eliminating costly down times.
